PROFESSIONAL SUMMARY

Aspiring full stack developer with practical experience in MERN stack, Django, and database management. Skilled in Python, JavaScript, React, and PHP, with a strong foundation in software engineering and problem-solving. Seeking to apply my technical skills to build scalable and impactful solutions where I can solve real-world challenges, collaborate across teams, and grow with emerging technologies.

STRENGTHS

Team Collaboration, **Problem Solving**, **Adaptability**, **Time Management**, **Leadership**, **Communication**

TECHNICAL SKILLS

Programming Languages: Python, C, C++, Java, VB.NET, JavaScript
Web Development: React.js, Node.js, HTML, CSS, Django, PHP
Database Technologies: MongoDB, MySQL
Frameworks and Libraries: React, Django, jQuery, AJAX, Bootstrap
Web Dev Tools: Git, GitHub, Docker, PyCharm, VS Code

PROJECTS

- **CIVIC+: Smart Municipality System** − *MERN Stack, Python, ML, AI*   Ongoing
  - Building a smart civic issue management platform with MERN stack and Python-based ML modules for complaint classification and scheme recommendations
  - Enables citizens to report issues and request welfare schemes efficiently

- **Online Shoe Store (E-Commerce)** − *HTML, CSS, PHP, MySQL*   Completed
  - Developed a user-friendly e-commerce website for a shoe store, enabling features like product browsing, cart management, and order placement
  - Ensured responsive design and seamless user interaction

- **To Do List** − *React, Node.js, Express.js, MongoDB*   Completed
  - Created a full-stack task management application supporting CRUD operations, task prioritization, and status tracking
  - Improved task organization for end users

EDUCATION

- **Integrated MCA**   2021 − 2026
  Amal Jyothi College of Engineering (Autonomous), Kottayam   *Expected: April 2026*
  - APJ Abdul Kalam Technological University

- **Higher Secondary Education**   2019 − 2021
  Sreyas Public School, Kottayam, Kerala   *Central Board of Secondary Education*

- **Secondary Education**   2019
  Sreyas Public School, Kottayam, Kerala   *Central Board of Secondary Education*

INTERNSHIPS

- **Hexcent Pvt Ltd** — Jun 2024 – Jul 2024
  Python Django Development Intern — *Kochi, Kerala*

  - Completed a 1-month hybrid internship focusing on Python and Django-based web development
  - Gained hands-on experience in building real-world applications and strengthened backend development and project deployment skills

- **Ainsoft Solutions Pvt Ltd** — May 2023 – Ongoing
  MERN Stack Intern — *Trivandrum, Kerala*

  - Completed a comprehensive MERN Stack internship focusing on full-stack development
  - Gained hands-on experience in building web applications and enhanced problem-solving and development skills through real-time project collaboration

ACHIEVEMENTS

- Video Committee Member for the NASA Space Apps Challenge 2024 at Amal Jyothi College of Engineering, contributed to event documentation and multimedia content creation
- Medical Team Member for ARENA'25 Inter College Basketball Tournament and contributed to event coverage through medical support and on-ground coordination
- Active participation in various technical and cultural events demonstrating leadership and organizational skills

CERTIFICATIONS

- **Generative AI Certified Professional**
  Authorized by Oracle Cloud Infrastructure 2024 , Recognized by Oracle Corporation
  Valid till July 30, 2026

- **Getting Started with DevOps on AWS**
  Authorized by Amazon Web Services , Recognized by AWS Training & Certification
  Completed on May 6, 2025

- **Gen AI Integrated Workshop on Cloud and DevOps**
  Authorized by Marian College & Amal Jyothi College
  In association with IPSR Solutions & Valin (UK/USA/Canada)

  Completed on September 3, 2024, Secured Grade A
